CLIENT EVENTS

HOST AN ART EVENT, PICNIC, or SOCIAL OUTING

Creating social engagement for our clients is so very important, and it is a great way to get people together!

SPONSOR A HOLIDAY PARTY

The winter holidays can be very difficult for many clients who may have few (if any) family connections. Your support of a Thanksgiving or December holiday meal definitely brightens the lives of adults with serious mental illness!

SPONSOR HOUSING WELCOME BASKETS

YOU can be the welcoming committee as Wellspring creates Affordable Housing for adults with disabilities, most of whom have experienced homelessness. A basket of supplies goes a long way toward welcoming clients to their new, stable housing!
